

Magic of the Manning

Dear Community Supporters,

October 2017

Re: MANNING WINTER FESTIVAL; Friday 1 June - Monday 11 June 2018

YOUR CHANCE TO SPONSOR AND SUPPORT MANNING VALLEY ARTS AND CREATIVITY IN 2018.

The nominated organization for promotion by the 2018 Festival is PCYC TAREE – CELEBRATING 30 YEARS OF OUTSTANDING COMMUNITY SERVICE, providing positive programs and wonderful pathways for young people in the Manning Valley.

Every two years MWF co-ordinates and promotes arts/cultural/creative initiatives and lifestyle events and activities, to create a vibrant program celebrating and highlighting the diverse and amazing creative talent across the Manning Valley, encompassing the former Greater Taree and Gloucester local government areas.

The Festivals are not only about recognizing and supporting our local creative achievers, but are also about generating interest in the Manning Valley as a tourist destination.

The 2018 Festival will officially run for 11 days from Friday, 1 June to Monday 11 June 2018, inclusive. MWF plans to include as many diverse initiatives as possible. MWF will consider inclusion in the program of "Warm Up" events and/or "Follow On" events if projects fall within a week either side of the Festival dates.

The MWF team are dedicated volunteers who would welcome your financial support. Major sponsors [\$500 or over] and Medium sponsors [\$250 or over] will have Logos recognized in the printed and widely distributed program and all electronic promotion. Major and Medium sponsors will receive two free tickets to the Official Opening and Presentation of the 2018 Visual and Performing Arts Awards. General sponsors of any amount less than \$250 will be listed electronically and in the program, as finances permit.

Please help us put the "Magic of the Manning" on the map!
