Film Premiere & Gala Concert Invitation

Dear Sir, Madam,

You are warmly invited to attend the **From Hidden Valleys Gala Concert & Film Premiere** at the Manning Entertainment Centre on Saturday, 27 July 2019. It will be presented by Tallowdale Music and Filmworks Media in partnership with the Manning Winter Festival.

This landmark event will feature an outstanding musical program with performers of the highest calibre. The concert will celebrate the world premiere of the short nature film, *From Hidden Valleys*.

Violinist, Bora Kim, touring from North America, will perform alongside Australian artists, Samuel Dharma (Piano), George Yang (Cello) and Carol Irving (Clarinet). Music by Liszt, Rachmaninov and Tchaikovsky will be showcased in the concert as well as the premiere of a new composition by our featured local composer, Jonathan Billingham.

As you watch the film you will take in the sights and sounds of the majestic Manning Valley, experiencing a bird's-eye view journeying over Barrington Tops and Lansdowne Escarpment, through rugged gullies, past forests and flood plains all the way to the open sea. The production has been undertaken by Tallowdale Music and Filmworks Media with funding from members of the Manning Valley business community.

The concert and film premiere will be followed by light refreshments in the foyer. Further information and details for booking tickets through the Manning Entertainment Centre are provided on the enclosed flyer.

We hope that you can join us for this exciting and unique event in the life of our valley.

Yours Sincerely,

Mounira Saad
President
